Submitted to His Highness.

The Comptroller has asked for orders as to the source from which the expenditure consequent on the appointment of Messrs.V.R.Thyagaraja Iyer and Abdul Ghani on special duty in connection with the constitutional developments may be met.

2. In this connection, the question of emoluments to be given to Mr.Abdul Ghani while doing duty as Assistant Secretary, Reforms Committee, had also been raised. Mr.Abdul Ghani was drawing a salary of Rs.250 plus Rs.50 duty allowance, as Assistant Secretary to Government. The special duty involves substantial increase of Mr.Abdul Ghani's work and the Financial Secretary has suggested that he may be given his pay plus a duty allowance of Rs.100 per mensem during the period of his pecial duty. This may be approved.

3. The total amount required for the special duty office has been estimated by Mr.Thyagaraja Iyer at Rs.15,300. The details of this estimate are under examination. Meantime as it is not possible to meet the extra expenditure from any of the sanctioned heads in the current year's budget, sanction is solicited to the extra amount being treated as an addition to the budget.

IMMEDIATE.

Special Duty Office for Reforms,

Dated, Bangalore the 26th October 1922.

D.O. No. 117/Enc/

C B 103-22-4.

Dear Sir,

With reference to para 4 of Government Proceedings No. 2138-97/C.B. ~~XX~~ 103-22-2 dated 24th October 1922 placing me on special duty for Reforms, I have to submit the following proposals for establishment.

2. Clerical establishment. Two clerks and two typists are indispensable for the clerical and typing work respectively. In addition a Manager will be required for general supervision, for keeping and spending contingent allotments and for other special miscellaneous work like arranging for refreshments to committee members etc.

(b) Menial establishment. Eight peons will be required and of these one will, as requested by the Chairman, be deputed for duty at Kumara Park until the committee meetings are over in December next. The above number is considered necessary as in case I have to tour in connection with the preparation of voters' lists, the holding of the elections under the revised rules, and the delegation of enhanced powers to District Boards, a less number will be found insufficient.

(c) Proposition statement. A proposition statement is accordingly submitted herewith. In case the above is sanctioned I shall select all ~~the~~ the hands (including peons) from my present Census establishment on their present graded pay. This proposition statement does not include the establishment which will work under my Census Assistant during November and December.

3. Permanent advance and contingencies. I hold at present a permanent advance of Rs200/- as Census Superintendent and believe that this will be continued until the Census work is -- wound up completely in about two to three months. In addition

In addition to this - which may have to be refunded to the Treasury in the midst of the reforms work - I request that a permanent advance of Rs150/- may be kindly placed at my disposal solely for reforms work, the two amounts being kept separate. As regards contingent allotment, I request that a lump-sum grant of Rs1,500/- may be placed at my disposal during the six months of my special duty. This grant includes charges for refreshments to committee members, tour charges, purchase of reference books and other unforeseen items.

4. Miscellaneous. To prevent doubts, delay and ~~further~~ future objections of the account Department, I request that ~~XXXXX~~ Government will kindly pass orders

(a) continuing my status as the Head of a Department and giving me all the incidental powers from the account point of view and in particular

(b) authorizing me to continue to countersign my contingent bills and travelling allowance bills.

Yours sincerely,

M Jayaraman
